WORK EXPERIENCE

AGE 19 Enterprises

Customer Research & Marketing Intern

(Remote) Dehradun, Uttarakhand

May 2021 - Aug 2021

- Analyzed data on fashion trends from multiple sources, including social media and market research reports, to create comprehensive trend reports for the marketing team.
- Gained excellent working knowledge of industry trends and improvements in processes.

PROJECT EXPERIENCE

Credit Card Default Prediction

- Developed a credit card default prediction model using machine learning algorithms that achieved an accuracy rate of 85% by analyzing transaction data from the last 6 months for over 10,000 customers.

To Do List

- Developed a highly efficient API using FastAPI framework, allowing for seamless integration with MongoDB server and delivering response times 20% faster than industry average.

September Effect Analysis

- Developed a comprehensive Tableau dashboard to analyze TCS stock data and identified a decrease in returns during September compared to other months.

LEADERSHIP EXPERIENCE

GDSC WOW

Lead Organiser

Jaipur, Rajasthan

Dec 2022 - Mar 2023

- Coordinated a team of 50+ volunteers to successfully execute the first-ever GDSC WOW event at Birla Auditorium, resulting in a footfall of over 1000 participants.
- Collaborated with key sponsors and industry leaders to arrange interactive workshops and keynote speeches, resulting in overwhelmingly positive feedback from attendees with over 90% satisfaction rate.

Technical Committee

Vice President

Jaipur, Rajasthan

Nov 2022 - Apr 2023

- Coordinated and executed the first Technical Fest at BIT Mesra, Jaipur Campus post-covid, resulting in a record-breaking attendance of 800 participants.

Google Developer Student Clubs

Club Lead

Jaipur, Rajasthan

Aug 2022 - Apr 2023

- Organized and facilitated 10+ workshops on career development, resulting in a 30% increase in attendance compared to previous years.
